

Chamber Coordinators

(Two posts)

- **Sport, Recreation and Fitness / Gaming and Lotteries**
- **Conservation and Tourism Guiding**

The Tourism, Hospitality and Sport Education and Training Authority has a key strategic Skills Development Division whose main function is facilitating skills development implementation through skills programmes, learnerships and capacity building of Small, Micro and Medium Enterprises in the tourism and related sectors. The Skills Development Division requires suitably qualified persons, one of which will head the Sport, Recreation and Fitness Subsector and Gaming and Lotteries, while the other will head the Conservation and Tourism Guiding Subsector.

Requirements: We require the services of dynamic individuals who are in possession of a relevant tertiary qualification coupled with at least three to five years' work experience in either the areas of the Sport/Recreation/Fitness or Gaming Subsector or the Conservation/Guiding Subsector

The incumbents, who will be appointed in accordance with the company's employment equity requirements, will be responsible for skills development implementation in the said subsectors and liaison with industry. The positions are based in Rivonia, Gauteng.

The candidates' most valuable strength will be a grasp of Skills Developments Acts, the SAQA Act, Equity Act and all related legislative frameworks. Good people and communication skills, sector network, computer literacy and willingness to travel will be paramount to the job.

Suitably qualified candidates may forward a CV to THETA at fax no: (011) 803-6702 or e-mail: shereez@theta.org.za to reach THETA no later than 18 April 2003.

Please indicate clearly in your application which subsector you are applying for.

If you have not been contacted within 30 days of the closing date, you may assume that your application was not successful.
