

**CHAPTER 17**  
**TERMS OF OFFICE**

107. Any person elected or appointed to hold any position or office under this constitution shall be eligible for re-election to that position or office for a maximum of two consecutive terms of office. The fact that such person has served two consecutive terms shall not preclude him or her from holding any other position or office in THETA after retiring therefrom nor shall it preclude him or her from holding that office again after the expiry of the term of office of his or her successor.
  
108. Any person who attends a meeting in more than one capacity shall be entitled to exercise one vote only.
